

# California Proposition 65 Declaration

Based on the information available to us from our suppliers and to the best of Alliance LLC's knowledge and belief, our products comply with the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.5 *et seq.* ("Proposition 65"). We strongly suggest any customer purchasing products from Alliance LLC which are sold for use within California or other states requiring Proposition 65 certification to contact an officer of Alliance LLC for further information and to obtain a certification specific to their product.

## General Information About Proposition 65

In 1986 The State of California enacted The Safe Drinking Water and Toxic Enforcement Act, Section 25249.5 of the California Health and Safety Code which is commonly referred to as "Proposition 65". This Code requires businesses to warn consumers about exposures to chemicals contained in their products that could cause cancer, birth defects or other reproductive harm.

The list of Proposition 65 chemicals as of May 08 2019 is available online at:
